ASB Officers

The Cupertino Parks and Recreation Department added a new dimension to our student activity program this year. Working closely with the A. S. B., the Rec Department provided deep-sea fishing trips, back-packing trips, a ski week in Utah, lunchtime activities, and a trip to Hawaii. For the first time, the Executive Council sponsored the annual Sadie Hawkins Dance which was a huge success. Also a first, we held our annual Christmas Ball at the Lullayon Hotel featuring a dinner-dance with the band, "Sage." The officers organized a "Project-Of-The-Month" and carried out many activities including an on-going litter campaign, a dance for parents, and a drive-in movie in the spring.

The 19th annual Flower Day celebration was a big success. All the clubs had games, booths and everyone had lots of fun participating in the festivities. The Haunted House, set up and organized by the band department, was one of the day's highlights. At the annual cake walk, two thousand mouth-watering cakes were just waiting to be gobbled down by hungry spectators. The estimated profit of the day was approximately four hundred dollars.

November 5, 1976, a night to remember, as five excited young ladies rode around the CHS field in the horseless chariots of an age gone by. It was indeed a time in which the old and the new were reunited. New memories were created and old memories were renewed as the newly named Homecoming Queen, Ann Cervini, was crowned by the returning queen, Cheryl Yanez. The princesses, Marie White, Carolyn Page, Kim Crombie, and Sheri Evans smiled brightly as they were presented bouquets of roses by their escorts, Larry Harley, Steve Barr, Alan Coleman, Scott Campbell, and Mike Kaufman.

Following the game, many students attended a dance featuring the band, Eclipse, which was sponsored by the Key Club.

The Bell Club was formed in 1974 to uphold the Tino Spirit. They planned and organized the Tino participation in the Jamboree spirit bell competition. This year, although they worked and organized through the summer, the victory of the bell was not theirs to keep. But more has to be understood. The Bell Club was formed to show Tino's spirit, and although it's nice to symbolize it by winning competition, WE know who is the true winner, and we know who's number one. The club's advisor Mr. Gene Longinetti and Bill Boggie, wanted (along with the club pres. Pat Egan) to keep the spirit running high, and although they may not have a bell to show it, there is no doubt that they succeeded.

The chess club was organized to provide the opportunity for students to get together and enjoy the interests in playing chess. The chess team also competed in the district chess tournament

The class of 1977 has enjoyed its four years at Cupertino High School. Outstanding academic, athletic and vocational skills have been realized. Many teachers and administrators have remarked on how much they have enjoyed knowing the class of '77. This "spirited" class continued Cupertino's excellence in school spirit and helped provide student government with strong leadership. We thank you CHS for making our four year stay a good one

Counselor - Mr. Benesh

Dean - Mr. Scarper

Secretary - Mrs. Brown

Fall Semester President Alan Coleman led the Junior Class to its most productive semester ever. During Football season the class of '78 held its weekly potato sale, and sold class cards, giving them sufficient funds to put on a superb Junior Prom in March. Spiritwise, the Juniors became the first class in the history of the spirit bell to win it two years in a row. Under the direction of rally chairman, Denise Lazootin, the Juniors won the first two out of three rallies. Junior Powder Puff Football Team rolled to a 3-1 season beating St. Francis, the Saratoga Juniors, and the Saratoga Seniors, losing only in the closing minutes to our own Seniors. On March 26, Saturday night, the class of seventy-eight held its first major event, the Junior Prom at the Saratoga Country Club. The success of this dance indicates the pride and spirit that makes the class of seventy-eight as great as it is and will continue to be during its Senior year.

CLASS OF 1979

Mrs. Till, Counselor

Mr. Licciardello, Counselor

Mrs. French, Advisor

Fall Officers: (left to right) Katy Lucey, President, Connie Nelke, Secretary, Mary Cole, V. President, Jennifer Okano, Rally Chmn; Allison Low, Treasurer, Jeannette Silva, Social Chmn

Spring Officers: (left to right) Joni Mayano, Social Chairperson, Ken Bloesch, President, Allison Low, Treasurer, Leona Fritz, Vice President

SEVENTY NINE IS FINE

The class of '79 is typified by ACTION, SPIRIT, AND ACCOMPLISHMENT. The officers and members of the class have worked hard this year to make the School Year of 1976-77 memorable. The Sophomore Bar-B-Que was an outstanding success. The highlight of the night was dancing to the music of DESTINY. The Spring Class trip in January to San Francisco on BART was another winner. Students toured the great hotels, Chinatown, Fisherman's Wharf and the Hyatt Regency. Money raising activities included the sale of class cards, candy suckers, mistletoe and French bread. The appearance of our new class mascot at rallies promises to make the Sophomore class a number one candidate for the Spirit Bell in 1977-78.

Missing Pieces

Mr. Meyers, Advisor

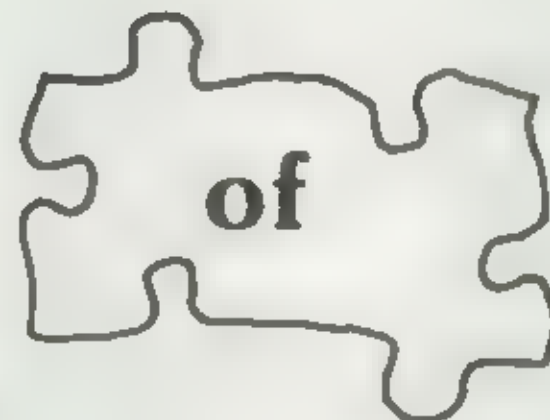

Mrs. Fogg, Secretary

The officers of the class of 1980 began the year determined to start off their high school experience with much success. The freshman class expressed their confidence in the officers by re-electing each officer to a second semester term. During the course of the year, the class, under the direction of their officers, initiated many fund raising activities to help finance such things as a trip to Great America, and a day on the Santa Cruz beach. The freshman class also created a class council to assist the officers in planning activities and to provide a broader representation of the class as a whole. A class constitution was written and approved by the legislative council and student body. The next three years promise to bring much enjoyment and many happy experiences to the members of the class of 1980

J.V. Football

This years Frosh Football Team improved by leaps and bounds as the season progressed. Co captains David Ponce, Bill Barton, and Steve Callararo led the team through the loss of its first two encounters to its eventual tie for the League Championship with the defeat of the previously undefeated Sunnyvale Jets. The Most Valuable Back for this season was David Ponce and Bill Barton received the Most Valuable Lineman Award. The coaching staff feels that this team was very competitive, dedicated, and highly spirited, and looks for them to be the nucleus of the future successes of Tino football.

The J.V. season was very rewarding both at the players level and from a coaches view. The team finished tied for the championship with a 4-2 record, and 8-2 for the season. Some great individual efforts were turned in this year. Tony Jones was the leading ground gainer and was named by his teammates as the best back on the J.V. team. Chuck Copeman, Bob Martin, and Dave Coubrough also led the offense, along with Mike Calfee, voted the best lineman, Jeff Goehring, Jeff Klingman, and Pat Rose. The Tina swim team did a terrific job this year! They won every single meet except the one against Homestead, but even then it was close. With Ms. Johnson and Julie and their mouths coaching us, who could afford to lose much. Congratulations to Joan Chesley voted "Most Valuable" and Nancy Bartkowski voted "Most Inspirational". To the rest of the swimmers who beat their brains out at practice, you did a great job!

Hockey

Our field hockey teams were very good this year, despite the fourth place finishes in the league. We lost only three games which were by one goal, games which could have been won by either team. We absolutely ran over every other team that we played which shows how strong our DeAnza League is. The girls had a good competitive experience, played lots of hard-fought, spirited games, and were lots of fun to work with and to coach.

In the league season the competition stiffened and the JV's fell to a 2-10 mark despite playing some excellent basketball in losing efforts against upper division teams. Monta Vista 46-44, Fremont 56-49, 45-42, Homestead 58-63 and Saratoga 51-47. This gutsy team of athletes never let down and always played hard.

WRESTLING

The 1976-77 Cupertino Pioneers did not have the successful win-loss record of past years, but the season was far from failure. With a mixture of newcomers, foreign exchange students, and returning seniors, a complete rebuilding of the team had to take place. Leadership in this task was taken by Captains Dave Pickett and Chris Martin, and returning lettermen Randy Valdez, Jim Viscovich, and Junior Mel Oto. Defense was provided by newcomers, which included Halfbacks Mike Kimball and Greg Low; Fullbacks Ron Maiwald, Rick Bishop, and Frank Vischer; and Goalie Mike McMacken. The European Trio of Eric Vollebreght, Bo Soderpalm, and Hans Tvedten, along with Sophomore Gasper Silveira helped to provide needed power to the Tino offense. Supporting this group were: Wing Peter Fukagawa; Halfback Jaime Gomez, Fullbacks Steve Rode and Jason Reeves; and Goalies Greg Cardott and Doug Drake

Principal's Message

American society is currently passing through an era of unprecedented cultural and social change. Few, if any, traditions are left unchallenged. Among the more noticeable thrusts of this change are a new acceptance of the right of personal choice, of the worth of cultural diversity, and of the more common bonds and transcendent values of society. The schools must encompass some basic and shared commitments if they are to serve adequately all the students.

Cupertino High School has always had, and always will retain the conviction that the student represents our best hope for a correction of the imbalances and the distortions of a complicated world.

We live today in a vital time. To help students make themselves more truly human is in large measure the basic and sustaining purpose of education. We ask our students to learn, to discover and think about the facts of this world. However, the knowledge of many things is less important than are those qualities of character, of heart and of imagination that make us human. When education proceeds at its finest, knowledge and character are combined, and wise action which benefits all men results.

My wish for you is that you keep aware of all that goes on around you. What the future demands is an individual of values, vision and venture, a person of humanistic education, far better schooled than his predecessor, an individual equipped to meet whatever challenges the future brings.

The Career Center and Work Experience coordinator, Chuck Reynolds, reports that this year has been a very successful one. Work Experience provides an opportunity for students to work part-time, as well as earn school credit at the same time. The Career Center provides students with the opportunity to explore various career fields by listening to speakers during lunch, reading the material provided on different careers and viewing the many film strips on different careers that are available. The Career Center maintains an up to date file on college curriculum and scholarship information for students. There is also a job ad board for students looking for employment.

Dear Woody,

I am on the Yearbook Staff at Cupertino High School. I am writing to you to get your permission to use excerpts from your book, "WITHOUT FEATHERS" in our 1976/1977 yearbook.

You are very popular at the school and I personally have seen all your movies (Unfortunately, the theater I go to does not have sound so I haven't heard them).

If you agree, I'm sure that your name will become a household word all over America, like it is here at Cupertino. Well, it really isn't a household name. Its used mostly in the bathroom.

I hope you agree so this year's book will be the best ever.

Have a good one,

Tom Roper

Dear Mr. Roper,

Thank you for your letter regarding your request to use lines from my book.

I've discussed the matter with my staff of lawyers, agents, and business managers. And, after hours of discussion we decided to flip a coin.

Well, it came up tails, so you get to use lines from my book, as long as proper credit is given."

With all best wishes,
Woody Allen

"We apologize to Mr. Allen. We would like to give his book, "WITHOUT FEATHERS", credit but unfortunately, we have run out of space.

... together

Friends...

. . . put it together.

It has not been an easy job producing this yearbook. You might even say "putting it together" was "puzzling." We hope that you are satisfied with it, but as the saying goes, you can't please all of the people all of the time. If you're not satisfied, write down your grievances on plain paper and deposit in Mr. Kenyon's mailbox no later than June 1, 1963. If you are satisfied, please show your appreciation: a firm handshake, a hearty slap on the back, or a check drawn on a local bank payable to cash. Please help us make next year's book even better by telling us what to do with it. Kindly remember that the book has sharp edges and is very hard.
